

2018 MINISTRY HIGHLIGHTS *AND 2019 BUDGET*

Your generous giving launches
transformation in **OUR HOUSE**,
across **OUR STATE** and around
THE WORLD.

IT'S ALL ABOUT LIFE CHANGE

Pinelake exists to see Mississippi changed one life change story at a time. By God's grace, we've seen Him work through our church writing life change stories time and again.

In 2018, more people came through the doors of our house and heard about the love of Jesus than ever before. More people found the encouragement and support they needed in a small group. The prison population of Mississippi has been impacted. And we've had more opportunity than ever to pour into the next generation through children and student ministries.

But in our house, we don't sit still. We continue Making Room in our hearts and at our campuses for more people and more life change. Your generous giving, displayed in these numbers, launches transformation in our house, across our state and around the world.
